May was a busy month for the Gouverneur community! June has arrived and we continue to be busy just before summer begins.

The Chamber wants to recognize our student of the month at Southwest Tech for the Month of May. This honor was given to two students this Month, MaKayla Meilleur from Certified Nurse Assistant and Samantha Boaz from Allied Health. Our Chamber President presented them with a certificate. Congratulations to both students, we wish you the very best in your future plans!

At our last meeting we finalized our plans for the upcoming Flag Day parade and Business Extravaganza at the fairgrounds! We encourage all of our local businesses to come and spend time promoting your business for the day. Lots of activities planned throughout the day for everyone! For more information call the Chamber at 315-287-0331.

Our Chamber Business Shout Out this week goes to Northland Veterinary Hospital, 248 West Barney Street, Gouverneur. 315-287-0690 Stop in for all your pet needs!
