

THE GOUVERNEUR CHAMBER CORNER

As Seen In The

Gouverneur Tribune Press

November 15, 2018

Chamber Corner this week is just to remind everyone that the Santa parade is fast approaching! Spread the word, Santa will bring his Christmas Cheer on December 7th at 6pm in the village park!

Those who wish to participate need to be ready to line up at 5:30 pm in the municipal parking lot! A chamber director will be on hand to help get the parade lined up.

If you are part of a team, club, church or business, please consider decorating a float to show your Christmas Spirit!

The Chamber is also looking for our local businesses to help us with some donation money to purchase treats, if you are able to help please contact the Chamber office at 315-287-0331 or any Chamber Director.

Our business shout out this week goes to The Gouverneur Tribune Press! Bringing our community the news of the week! As always shop local!
