Thinking about what to put in the Easter basket? Well if you're a business, move those items up front and center, help your customers find those gifts to fill their basket.

Candy, treats, and toys are all great choices for kids!

Perhaps you're wondering what to give your parents or grandparents, flowers are always nice and you can look for those that can be planted outside and enjoyed for years to come!

Another wonderful and very thoughtful gift is something hand made, a painting, a quilt or piece of pottery!

Going to friends for dinner...? maybe a bottle of wine or a basket of cheese and sweets!

All around Gouverneur you'll find great gifts to make Easter filled with special memories!

We're in this together! So shop local!
