Last Call!

Okay, here is your last call! The Gouverneur Chamber of Commerce 2019 Business Directory is soon going to print! If your business hasn't sent in your membership, please do by April 1. All you need to do is call the Chamber office at 315-287-0331. Being in the directory gets your business information printed and when a call comes in to the Chamber office asking about a specific business in Gouverneur, the Chamber office can give your information!

Lots of great things are being planned for this year to give our local businesses the opportunity to grow, to be a part of the community and to work with other businesses.

A special thank you to the customers who walk through our doors every day and make our business successful!

Our Chamber Business Shout Out this week goes to Weldon Computers, Inc. Located at 45 Little Bow Road, Gouverneur. Give them a call at 315-287-1619 for all your computer needs!

As always shop local!
