Don't forget the stockings!

So by now most likely everyone has their shopping checked off their list, but wait you may still need to look for a few stockings stuffers! The Chamber has a few suggestions you may not have thought of... **Kinney Drugs** has all sorts of great stocking stuffers from candy, toys and beauty products. **Mrs. Beasley's Liquor and Wine** has a great selection of wine and liquor for that hard-to-buy-for person on your list! **Brown's Jewelry Store** always has a perfect piece of jewelry for someone special.

For the guy on your list who likes to work on his car, stop into **Newvine's Auto** or **G&R Auto**! For the handyman on your list, check out **Whites Lumber**, **Aubuchon Hardware** or **Gouverneur Plumbing**. You might have some one who likes phones or computers, stop in to **Julie's Business Center**. **Bountiful Harvest** is located in the mini mall, a natural food store with some great stocking ideas for you! **Pebbles** is another great place for stocking stuffers.

Don't forget gift certificates fit perfectly in a stocking. A teenager would love pizza from **Dashnaw's** or **New York Pizzeria**. Mom and Dad would love dinner for two at **Casablanca**, **Mullin's** or **A1 Buffet**. Lunch at **Washburn's**, **Oswegatchie Coffee Company** or **Jreck Subs** is a great gift for a co-worker.

For that someone special perhaps a room at **Lawrence Manor** or the **Clearview Motel**.

Our business shout out this week goes to **Save A Lot** @ 210 West Main Street. Stop in and see Sandy for all your holiday grocery shopping!

Merry Christmas to all our Chamber Businesses and to our community friends who shop local!
