The Gouverneur Chamber of Commerce is looking for business owners who have never joined the Chamber, to consider becoming members. You may ask "Why?"

First of all, our businesses are so important to our community! With membership, your business information is published in our annual directory, which is placed in many hands. New families moving to the area are given one so they know where to go for their needs. These directories are placed at all our member businesses so anyone in the community can have one, or they can pick one up at our Chamber Office.

All Chamber members are listed on the searchable online database of members which includes your business contact information.

All businesses, who are members, are placed in a random drawing for 'Business of The Month.' With 'Business of The Month', a large banner is placed in the village park for the community to see. A nice feature story about your business is also placed on our website. Also, anyone in the community can nominate a business for Business of The Year' which will be honored at the annual Chamber Banquet in May. We also look for help sponsoring events throughout the year as well as Flag Day and the Christmas (Santa) Parade, making these events successful for our community!

So if you haven't joined, call the Chamber of Commerce office at 315-287-0331 or go [HERE](#). If you're already a member and want to help out with community events, please consider attending a meeting. We meet the first Thursday of each month at noon in the Library here in Gouverneur.

Our business shout out this week goes to our hometown clothing store Peebles! Shop Peebles for the perfect outfit for a night on the town!

Until next time, Shop local!
