Well let's hope that SPRING has finally arrived! Now is a good time to take a look at what Winter did to our businesses, homes and our community. Raking, sweeping and trash pick up! With warmer temps coming out way, it surely is a perfect opportunity to get at those tasks we all need to complete. A visit to a local store in Gouverneur, and you can be sure there are shovels, rakes, and lawn bags just waiting to be used to make Gouverneur shine!

"A little elbow grease" As our parents use to say... "And the job will be done in no time!"

When you see that bit of trash on the ground, stop to pick it up and put it in the trash can! It will make you feel good and our earth thanks you as well!

The Chamber wants you to know..... We're in this together!
