

THE GOVERNEUR CHAMBER CORNER

As Seen In The

Gouverneur Tribune Press

November 22, 2018

It's beginning to look like Christmas around Gouverneur! Thanks to the Department of Public Works who always does a great job getting the park Christmas ready for our community!

Now as we move toward the holidays, let's get our store fronts ready for a bright and shiny holiday!

A few tips for our local businesses from the Chamber, first take a few minutes and walk outside your business, do a little sweeping, pick up any trash, then take a look at your windows, get a bucket of water, a sponge and give them a quick wash.

Then the fun begins, get those decorations out, a wreath here, lights around the window, a tree with garland and your ready to greet your customers with some holiday cheer!

Display your merchandise, add a bow and some ribbons. Offer gift certificates for those who don't know what to buy! Be on hand to answer your customers questions. They will appreciate the extra special customer service.

Remember when you were a kid and how much fun it was to look at all the wonderful lights and decorations around town, let's make our community a bright and shiny!

Our business shout out this week goes to all those businesses who are a part of the chamber and those who haven't joined the chamber yet, but we sure hope you will!

As always shop local!
